

Sherbourne Fields School

Admissions Policy

**Sherbourne
Fields
School**

Last Updated: March 2023

Sherbourne Fields School follows the Coventry Admissions Policy for Special Schools. We **do not** directly admit pupils to school. Places at Sherbourne Fields are allocated by Coventry SEN Services. They allocate places based on the nearest available school to pupils whose learning needs cannot be met within a mainstream provision.

We welcome prospective parents and carers to come and look around our school **once our Coventry Local Authority SEN services have advised this.**

Parents and carers will need to work with the placement team in Coventry SEN Services to secure a place; this cannot be done directly with the school.

Once the local authority have advised that a tour of Sherbourne Fields is appropriate please contact us on **024 76591501 (Sherbourne Fields School Office).**

We will then take your details and we will get back to you with a visit date as soon as possible.

We look forward to showing you what a wonderful school we are!
