SHERBOURNE FIELDS

Friday 9th November 2018

Dear Parents and carers,

CONGRATULATIONS!!

I write to you with news of the outcomes from our recent Ofsted inspection, which took place on Thu 4th October 2018.

We were thrilled to maintain our judgement of **Outstanding**, which is our third in a row and especially pleased with so many incredibly positive comments from the inspection team on the day and also in our final report – here are just a few of the amazing comments that were written about us:

"The ethos of the school is woven into all its activities. For example, staff interactions with pupils are frequent, consistently warm and positive, and show high expectations of pupils' responses and social development"

"Good manners are highly valued and used by everyone. The result is a calm and purposeful environment where pupils thrive"

"Support from staff is 'exceptional', both for pupils and their parents"

"Consistently high-quality teaching means that pupils make exceptional progress both academically and socially"

"The curriculum is exceptionally well constructed. Pupils have a plethora of opportunities"

As a school, we are always looking at ways to improve, and as such I was delighted that Ofsted have recognised how we have continued to grow and build on the successes of our previous two Outstanding judgements.

Our third successive Outstanding judgement and inspection report is a clear vindication of the incredible hard work and the professionalism of all our staff, the hard work and behaviour of our students and the support of you as parents and carers

As a school community, we should all be very proud of our achievements, so well done to everyone!!

Yours sincerely
