4 December 2018

Dear Mrs Moriarty,

On behalf of Coventry City Council, it gives me great pleasure to congratulate you and Sherbourne Fields on the result of your Ofsted inspection which was published in November. To have retained your overall 'Outstanding' judgement is a fantastic achievement.

I was pleased to read that the school is outstanding because leaders are persistent in seeking out how small tweaks can be made to consistently improve the school. I also noted that the curriculum is exceptionally well constructed, so pupils have a plethora of opportunities.

Please pass my congratulations on to your staff, governors, children and parents for all their hard work and success.

Yours sincerely

Kirston Nelson  
**Director of Education and Skills**
