## What The Team Provides

The Special Needs School Nurses provide high quality nursing care to children within Coventry's Special Schools. Our team consists of nurses and children's carers with specific training to meet the children's needs.

## Our Aim

To enable children with disabilities to access education and reach their full potential

## What We Do

Each school has named nurses and as a team we can offer:-

- Individual assessments of every child's care needs.
- Plan and deliver appropriate care packages
- Train staff to ensure that they are competent and confident to provide the care necessary to meet your child's nursing needs
- Manage and administer medicines according to CWPT policy
- Provide information and advice on specific health needs and general health promotion

We are part of a large multidisciplinary team and will discuss and liaise with the following in the best interests of your child:-

- Parents/carers
- Education staff (with your consent)
- Social Care (with your consent)
- Children's Community Nursing
- Community Paediatricians
- Speech and language Therapy
- Physiotherapy
- Occupational Therapy
- Dietetics
- Sensory Support Services
- Community Learning Disabilities Team
- General Practitioners
- Health Visitors
- Hospital Service / A&E
