

When students have reached their end of Key stage 5 expected grade they continue to work towards the next levels. In their lessons they cover the syllabus content in the hope that the students gain skills and knowledge. They are then given the opportunity to sit the next exam before they leave school for further practise in a test situation. This information is then relayed to their further education destination so they can continue to build upon this and to achieve continuity with their accreditation.

SHERBOURNE FIELDS SCHOOL SUMMER 2019 ACCREDITATION									
	Year 12			Year 13			Year 14		
	No; Students	Predicted Pass Rate	Actual Pass Rate	No; Students	Predicted Pass Rate	Actual Pass Rate	No; Students	Predicted Pass Rate	Actual Pass Rate
