Head Teacher: Shivaun Duffy Moriarty

Accessing work from home

We will be using a secure portal to make work available to students and families from homes. It is housed in Office365 and will need a username and password to access the portal.

To access the Sherbourne Portal, please head to our website: www.sherbournefields.co.uk

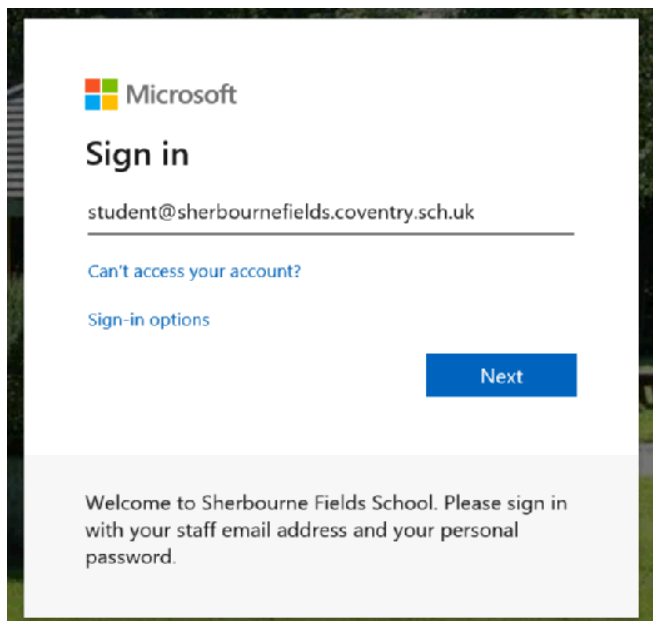

From there, there is a link directly to the portal on the top menu

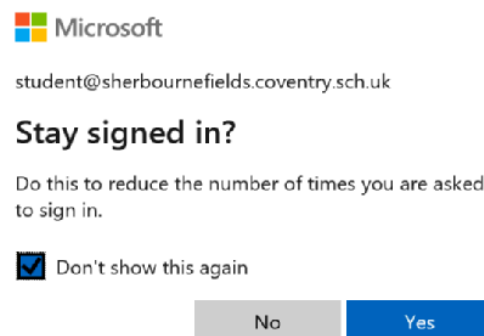

It will then ask you to log in to the portal.

Use the username: student@sherbournefields.coventry.sch.uk

The password is **sf**

Click Yes on the "Stay Signed In" window, if required, so it won't ask you to keep logging in all the time

Once logged in to the portal, you will be able to access the documents and information you require.

Document and Information pages

Each phase (Key Stage) has their own page, where general messages may be left by staff for you.
This is also where you will find all your documents

To access student documents and information, please choose your phase below.
Recorded stories are available via the Storytime at Sherbourne link below.

Storytime at Sherbourne

We have recorded staff reading books for you to watch and listen to.

Sherbourne News

Any important information about work on the portal or school news will appear here

Links section.

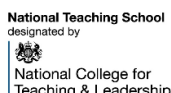

Some links to websites that we use in school to games, learning activities and ebooks

Our Twitter feed will display on the portal homepage.

Useful to keep track of any social media messages we post, for those not on Twitter or Facebook.

Logon information for the links.

Some of the links to websites require a login. These are all noted down on here for you to use.

Accessing work

Once you are in the correct key stage page, you will see the News pane down the left hand side, and on the right hand side, are the documents.

The documents within the key stage pages are in folders relevant to your child(s) class, so head to the folder you require to find work and information relevant to you.

The documents and information on the portal are designed to be accessible on multiple devices, including desktop computers and laptops, as well as iPads, iPhones and Android tablets and phones.

There are also a number of recorded story books on the portal for you to watch and listen to at home, under the folder Storytime at Sherbourne.

If for any reason you are having issues accessing the portal, or specific documents, please email portaladmin@sherbournefields.coventry.sch.uk
