

Due to the Covid 19 virus, in the short term we will have to trade a little differently than normal. School uniform sales are highly seasonal, and with that in mind it is our aim is to ensure the safety of all our customers and staff is maintained in line with Government Guidelines. Most of the hard work has been completed over the winter months, meaning our stock levels are at a healthy level. Rest assured we will do all we can to ensure pupils return to school in the required uniform with minimum disruption to the 'buying' experience.

For everyone's benefit we will be introducing and operating an appointment system as well as the traditional walk in method keeping within any Government guidelines of customers within the shop, you will be able to book a time slot for your child uniform fitting via our webpage: [www.coventryschoolwear.com](http://www.coventryschoolwear.com) , this is now live and ready to take appointments. This will hopefully make the uniform buying a lot less stressful and keep the amount of customers to a minimum within the shop. As we come out of this pandemic, we will be extending our opening hours from 8am - 6pm Monday through to Saturday and we will be also open on Sundays beginning 5th July - Sunday opening hours will be 10am - 4pm.
