Dear Parent/Carer(s)

Family Fund has received extra funding worth £10 million from the Department for Education to provide grants for families on low incomes raising disabled or seriously ill children in England this year.

If you have applied for funding before, **you can now re-apply 9 months** after your last award date rather than having to wait 12 months to re-apply.

If you have not applied before you can find details about criteria on the website where you can also apply online, or download an application form.

Please contact the school office if you would like support with your application.

Kind regards

Shivaun Duffy Moriarty
