11th September 2020

Dear Parent/Carer(s)

Thank you for your patience this week as we get to grips with the new measures that are in place at the start and the end of each day. We feel that the new procedures are working well and will continue to improve as the term continues.

The children have settled back into a school really well and it has been a truly wonderful week with the staff enjoying their new classes.

Face Coverings

You will be aware that there has been a national rise in COVID-19 cases, and therefore from Monday 14th September Coventry Local Authority are advising that Secondary and Post 16 age students wear face coverings in areas outside the classrooms where social distancing cannot easily be maintained (e.g. communal areas inside the school buildings including moving between lessons).

As Coventry are initiating this as a pre-emptive measure, I think it's important that if your child chooses to wear a face covering at these times whilst in school we fully support their and your decision to do this. If your child does not feel comfortable doing this, again we support this.

In light of the national change to the restrictions that come in from next Monday limiting the number of people that you can see socially indoors and outdoors known as the 'rule of six' we strongly encourage you to wear a face covering and adhere to the social distancing guidance at the school gates, both when dropping off and picking up your child.

Once again THANKYOU for your support at this challenging time. If you have any concerns or question please don't hesitate to contact me so we can all work together to have a successful term.

Best Wishes

Shivaun Duffy Moriarty
